**Scrubs’ From Page 12**

wrestling and swimming teams because they performed so well this season,” said Burns.

The disgruntled intercollegiate athletic body voiced their displeasure towards this challenge that was ordered by administration. Along with this anger came an abundance of disrespect. “They [R.I.L.] are just a bunch of scrubs that can’t play on competitive teams like ours,” said Small. “Whoever wanted this is a real idiot.”

In men’s basketball, R.I.L. upset the Broncs by a score of 77-69 in overtime. R.I.L. went on a 15-0 run in the final 3 minutes to tie the game up at the end of regulation. Six foot sophomore Clark Keys of R.I.L was the high scorer.

“The [R.I.L.] laughed at us the whole game, and then they just seemed to stop playing,” said Keys.

In other events, R.I.L. won easily as their team comprised of mainly women from Wright Hall manhandled men’s soccer 6-0. The R.I.L. champion RA squad dominated the volleyball court by sweeping the women’s volleyball team (30-18, 30-12).

The challenge revealed the true nature of athletics at Rider. Respect for R.I.L. has risen as participation for intramural events has reached astronomical heights. On the other hand, intercollegiate athletics turned out to be the unanticipated embarrassed competitor. Who is the “scrub” now?
